Danilo Vezzoni
(QA Engineer)

/summary

As a QA Engineer with over 12 years of experience, I have honed my skills in a variety of technologies including Jira, QMETRY, XRAY, Postman, Selenium, SQL, and several certifications. Throughout my career, also I had the opportunity to work in leadership roles as a QA Lead. My proactive and productive approach has allowed me to stay current with the latest technologies and continuously improve my expertise. I thrive on new challenges and am eager to contribute my skills and knowledge to a dynamic team.

/work experience

(QA Tech Lead)

CARREFOUR   **2023-Now**

In Carrefour I'm working as a QA Lead. My job involves:
- Check the PM requirements
- Organize the QA job for the sprint
